

# Ontario Equine Education and Employment Program

Attn Trainers:

We are looking for employers willing to hire recent graduates of the Ontario Equine Education and Employment Program. This is an 8-week virtual course, which open to anyone interested in starting a career in the Equine Industry. Students experience with horses can vary, and some will have none.

For employers who hire students, there are subsidies up to:

- 2 weeks full pay (\$15/hour for 35 hours)
- 4 weeks partial pay (\$250)
- \$1000 compensation for Employer training participants at placements - this last compensation to be approved before granted

For interested Employers there is paperwork to be completed. (More tab, Employer Registration)

<https://www.ontarioequineeducation.com/>

The business needs a proper business/tax number and a proper payroll with Canada Pension and Employment Insurance deductions.

Workplace must pass an inspection to ensure that it meets all the current Workplace Standards.
